

Interim finance

A gap in your finance organization can cause a lot of pain. We bring relief by precisely matching our team to your needs. Our seasoned specialists get up to speed fast, tackling leadership roles and nuts-and-bolts accounting and reporting tasks with equal mastery. And they just can't help themselves: their broad experience means they often see a better (faster, easier, more effective) way of doing things. When they do, they'll let you know—and implement it too. Whether you're a small, midsize or Fortune 500 company, whether you're public or private, we've got you covered.

Call us when you need to fill these roles:

- CFO
- Controller
- Technical accountant
- Revenue accountant
- SEC financial reporting specialist
- Cost accounting specialist
- SOX expert (project management, documentation or testing)
- FP&A expert
- Program or project manager
- Treasurer
- Senior financial analyst

We can handle these projects and more:

- Private or public company financial audit preparation
- GAAP/SEC technical assistance
- Financial modeling and analysis
- Evaluation of accounting treatment for major business transactions and changes in business operations
- SEC compliance and reporting: 10-Qs, 10-Ks and more
- M&A services, including due diligence, acquisition analysis and more
- IPO preparation, including S-1s and SEC comments
- Financing support
- Financial restatements

Whatever the gap you need to fill, RoseRyan pros stand ready to help.

Our savvy team gets up to speed fast, fits in well with your team and loves to tackle difficult assignments.

Keep your finance organization running smoothly (actually smoother than ever) and handle special projects with aplomb. Please contact:
