

Small business

Running on the fumes of your last capital infusion? Got money but not sure where it's going? Firing on all cylinders and growing like crazy? Whatever stage you're in, the RoseRyan dream team can whip you into financial shape for your next step.

Envision this: you never miss out on a big opportunity because of gaps in finance and accounting. Senior finance pros are on hand to help you reach milestones and nail business objectives. You have a team of pros who can scale with your growing business. You're ready for anything. That's what it's like when the RoseRyan gurus get through with you. We can be your CFO—or the accounting department behind your CFO.

Small businesses bring us in to:

- Help develop business plans and financial models
- Arrange bank and asset-based financing
- Facilitate equity financings
- Support the board of directors and provide financial analysis
- Handle cash flow and risk management
- Implement and administer benefits programs
- Manage day-to-day accounting and general business administration
- Prepare financial statements
- Work with your business partners - attorneys, auditors, tax professionals, and banks

We're a valuable resource for:

- Early-stage, angel-funded, and VC-funded companies, with special expertise in life sciences, technology, and cleantech markets
- Growing companies with emerging revenue streams
- Companies growing via merger or acquisition, or planning an exit strategy
- Companies with an IPO on the horizon

Whatever stage you're in, the RoseRyan dream team can whip you into financial shape for your next step.

We're ready for anything.
